God's Economy : Part 4 Luke 18:1-8

As busy as he was, Jesus had a regular rhythm of getting away for times of prayer and He even spent time to teach his disciples how to pray. Furthermore, the bible includes over 500 references to prayer, and the early church was born out of a prayer meeting on the day of Pentecost. These facts point to the essential nature of prayer for the people of God. But why? What does prayer do? What is the intended purpose of prayer? The fourth part in our series seeks to discover more about how followers of Christ are called to steward their prayer as part of a faithful and flourishing life.
