God's Economy : Part 5

Luke 19:1-10

The fifth part in our series considers one of the most popular stories in the New Testament, i.e. Zacchaeus and the sycamore tree. However, digging beneath the flannel graph and cartoon characterizations of this "wee little man", we find a dynamic story of someone deeply transformed by the forgiveness and identity offered by Jesus. As a changed man, Zacchaeus provides a vivid example of urgency to respond to the call of God on a life.
