Scripture: Luke 1:28-31

"Space Invader"; it's not just the title of a vintage video game. It is also a way to think of the incarnation of God the Son. Jesus came to earth to "invade" it with His unique peace and reign. It's an invasion the world desperately needed then and continues to need today. During this advent sermon series, we consider the implications of Christ's invasion as lived out through His people.
