Soul Preacher Part 2

Scripture: Psalm 104:1-33

We continue our series titled "Soul Preacher". The idea behind the concept is that in order for God's promises to consistently cast hope forward into the daily grind of life, they must be "preached" to oneself by oneself. In part two we overhear the Psalmist remind himself of who really is in control of all of creation--and how knowing this brings peace and strength to the soul.
