Daniel - God is Greater
Than the Challenge You Face

Legacy

Daniel 1:1-21

Few characters in the Bible lived as consistently with integrity as did Daniel. From the time of his teens, he lived with a respectful, high view of God. Though he could have been sulking through the disappointment of being exiled from his homeland, he instead lived with amazing resolve to honor God. In Daniel 1, Daniel is a teenager. On the stage of history, in his teen years, he was making choices to honor God that had huge implications. He just was not going to be governed by fear. He lived as though God was greater than the challenge he faced. On this Sunday, prior to coming to the communion table, we are going to watch a teenager boldly honor God – and we are also going to watch how God responded. I am so hopeful that our middle school and high school students can be with us on this morning.

Thank You Mountain View

A BIG thank you to all of you who made this summer's One Square Meal a huge success. We served between 46-70 children and adults each week. I just know that every Friday for 8 weeks we made a difference in the lives of the families at the Machebeuf apartments. Each and every one of you, whether you dished up one plate, made food or helped glue googly eyes on a child's craft, made this mission possible. Thank you very much!

Dear Mountain View Church,
Thank you so much for accommodating our youth group in your amazing facility. We had a great stay with you and our trip impacted our students and the people we served in many ways. Praying a blessing on you guys as you continue to be led by God in this next year.
God Bless,
